TEOCO WINS 2009 SMARTCEO / BDO SEIDMAN FUTURE 50 AWARD

TEOCO Recognized as One of Fastest Growing Companies in Greater Washington, D.C.

Fairfax, Va., 5 January 2009 – TEOCO, the leading provider of network cost optimization solutions to communications service providers worldwide, announced today it has been named to the *Washington SmartCEO* magazine/BDO Seidman LLP 2009 Future 50, which recognizes the 50 fastest growing companies in the Greater Washington area based on employee and revenue growth over a three year period.

“TEOCO has achieved extraordinary results despite turbulent industry conditions in recent years,” said Atul Jain, Founder and CEO of TEOCO. “Because we are not encumbered by debt or venture capital pressures, we can continue to focus on delivering clear, quantifiable results that help our clients while living up to our values and principals.”

“Each Future 50 winner has effectively translated their passion and innovation into tremendous growth and success,” said Jaime Park, Group Associate Publisher at *SmartCEO* Magazine. “We are honored to recognize TEOCO as one of the 50 fastest growing companies in Greater Washington.”

Washington SmartCEO magazine is a regional “growing company” publication. *SmartCEO* believes that a “growing company” is really determined by the spirit, drive and dynamics of a company’s owners and managers, rather than by the size of its building, the number of its employees, or its sales volume. Each month, a variety of businesses in the greater Washington and greater Baltimore areas turn to the pages of *SmartCEO* for features, case-study advice and trend analysis, all with a uniquely local flavor. *SmartCEO* is read by more than 34,000 business owners in Baltimore and Washington.

“Today’s fast growing Future 50 companies represent tomorrow’s leaders that will provide the foundation for the Greater Washington business community for years to come,” adds Tony Cord, Managing Director, Strategic Development at BDO Seidman LLP, title sponsor for the 2009 Future 50 Program.
